

## Rockhounding on Trust Lands

**TRUST LANDS**  
ADMINISTRATION

If your rockhounding destination resides on trust lands, please download or obtain a permit by contacting one of our offices. Please be prepared to identify your area of interest with a full location description, including township, range, and section.

**Main Office**  
102 South 200 East, #600  
Salt Lake City, Utah 84111  
801-538-5100

**Southwestern Office**  
1593 East Grapevine Crossing  
Washington, UT 84780  
435-522-7411

**Central Office**  
2031 South Industrial Park Road  
Richfield, UT 84701  
435-896-2559

**Southeastern Office**  
PO BOX 215, 696 North Main Street  
Monticello, Utah 84535  
435-259-7417

Rockhounding fees and other revenue generated from trust lands benefit Utah's public school system and other beneficiary institutions.

Trust Lands manages Utah's 3.4 million acres of trust land for the benefit these state institutions:

- Public schools
- Public buildings
- Miners' Hospital
- State Reservoirs
- UofU College of Mines
- Schools for the Deaf and the Blind
- Utah State Hospital
- University of Utah
- Utah State University
- Juvenile Justice Services
- State teaching colleges

## Regulations

- Keep your paid permit with you while rockhounding. Rockhounding on trust lands without a permit is considered trespassing. Please report trespass and misuse of trust lands and public lands: 801-538-5100.
- Permits do not authorize collection for commercial use. Obtain minerals and/or materials leases through our main office.
- Each permit authorizes collection of up to 25 pounds per day and a maximum of 250 pounds per year.
- Permits do not authorize collection in active mining operation areas.
- Trust Lands rockhounding permits do not authorize collection of vertebrate fossils. Any discovery of vertebrate fossils must be reported to the Utah Geological Survey and Trust Lands Administration.
